**Reference: Hazardous and Solid Waste Identification No. FL9 170 024 260; Naval Station Mayport, Florida; Final Phase 1 RCRA Facility Investigation Report.**

Dear Mr. Hudson:

The enclosed final Phase 1 Resource Conservation and Recovery Act (RCRA) Facility Investigation Report, prepared by ABB Environmental Services, Inc., is submitted on behalf of the U.S. Navy for Naval Station (NAVSTA) Mayport, Florida, Hazardous and Solid Waste Amendment (HSWA) Identification No. FL9 170 024 260. This report addresses the Phase 1 RCRA Facility Investigation (RFI) for the Group I Solid Waste Management Units (SWMU) at NAVSTA Mayport as described in the Corrective Action Management Plan (RFI Workplan; Appendix F; October, 1991). The final report has been revised to address comments received from your office and the Florida Department of Environmental Regulation.

The final Phase 1 RFI Report consists of two volumes. Volume I is the narrative of the report and presents the Phase 1 investigation findings, conclusions, and recommendations. Volume II contains the appendices which present raw and supporting data. Please contact Mr. Jim Reed, Engineer-in-Charge, of the Southern Division, Naval Facilities Engineering Command, at (803) 743-0572 if you have questions.

Very truly yours,

  
Peggy Layne, P.E.  
Task Order Manager
