SUBJECT: Updated Final Draft Corrective Action Management
Plan (CAMP), NAVSTA Mayport, Mayport, Florida.

I have reviewed the above stated document, dated September 1993 (received September 30, 1993), submitted for this site. This document is an updated version of the original Final Draft CAMP submitted the same month, but includes changes/amendments agreed to at the meeting of September 16 by the Navy, EPA and FDEP. This document has the potential of being amended with the availability of new assessment data.

In summary, this document appears acceptable in its present format.
