Memorandum

Florida Department of
Environmental Protection

TO: Jim Cason, P.G., Remedial Project Manager,
Technical Review Section

THROUGH: Tim Bahr, P.G., Supervisor, Technical Review Section ^{TB}

FROM: Greg Brown, P.E., Professional Engineer II, Technical
Review Section ^{AB}

DATE: February 28, 1995

SUBJECT: Identification Number FL9 170 024 260.

Draft Interim Measures Workplan, Solid Waste Management Units 6 and 7, Sludge Drying Beds Area, U.S. Naval Station, Mayport, May 1994, and revisions dated February 9, 1995; Prepared by ABB-Environmental Services, Inc., Tallahassee, Florida.

Interim Measure Remediation Work Plan for Solid Waste Management Units 6 and 7; Mayport, Florida; January 1995, Revision 0; Prepared by Bechtel Environmental, Inc., Oak Ridge, Tennessee.

Mr. William Neimes, P.E., of the Engineering Support Section reviewed the engineering document, Draft Interim Measures Workplan, Solid Waste Management Units 6 and 7, May 1994, and revisions dated February 9, 1995 (received May 25, 1994 and February 13, 1995, respectively) prepared by ABB-Environmental Services, Inc. (Margaret E. Layne, P.E., Florida #42425, engineer of record). He concurs with the Navy's responses and revisions to this document, and approves the Interim Measures Remediation Workplan for the subject site. His Certification of Approval for this engineering document is attached as enclosure (1).

I have reviewed the engineering document, Interim Measure Remediation Work Plan for Solid Waste Management Units 6 and 7, dated January 1995, Revision 0, (received February 24, 1995) prepared by Bechtel Environmental, Inc., Oak Ridge, Tennessee (Frank B. Cater, P.E., Florida #42508, engineer of record). I concur with the Navy's responses and revisions, and I approve the Interim Measure Remediation Work Plan for the subject site. My Certification of Approval for this engineering document is attached as enclosure (2).
