Facility: Naval Station Mayport

Site or Document: First Quarterly Monitoring Report: UST Site 1388, Naval Station Mayport

Document Date: October 2001

Receipt Date of Document: October 17, 2001

I have reviewed the above document. If the designated units in Table 2 are correct, it appears that the only groundwater contamination remains at monitoring well MW-6. The document is acceptable and I look forward to the next Quarterly report.
