Dear Ms. Washington:

I have reviewed the above documents that were received December 13, 2001. The documents indicate that the site may qualify for No Further Action after the next Annual Report. If that is the case, please provide an adequate assessment and conclusions that support that recommendation.

If further clarification is required or if you have any questions, please contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.
