RE: RCRA Sampling and Analysis Plan for Solid Waste Management Unit Numbers 13 and 16; Naval Station Mayport, Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated April 2002 (received April 8, 2002). The document describes groundwater sampling at SWMU 13 and subsurface soil sampling at SWMU 16. The sampling is being conducted at my request and is consistent with our previous discussions at the recent Partnering meeting. The document is acceptable.

If you need further clarification or any additional information, please feel free to contact me at 850-921-4230.

Sincerely,
