RE: Draft Soil Sampling Letter Report - Solid Waste Management Unit 16; Naval Station
Mayport, Mayport, Florida

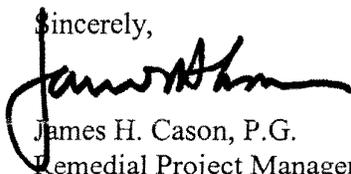

Dear Ms. Wilson:

I have reviewed the above document dated October 30, 2002 (received October 31, 2002). Please address the following in the final document:

1. Please add a description of the field sampling event that clearly explains that the sampling intervals were in the native soil below the pavement and any associated fill material.
2. Please provide the proper professional certification for the document.

If you need further clarification or any additional information, please feel free to contact me at 850-245-8999.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
