28 Jan 2003

Mr. Jim Cason
Florida Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, Florida 32399-2400

Dear Mr. Cason:

SUBJECT: COMPLETION OF PUBLIC NOTICE FOR SOLID WASTE MANAGEMENT
UNITS (SWMU) 14 AND 15 STATEMENTS OF BASIS AND REQUEST
FOR POSTPONEMENT OF MONITORING AT SWMU 15

The public notice period for the Statements of Basis for Solid Waste Management Units (SWMU) 14 and 15 ended on October 18, 2002. Naval Station (NAVSTA) Mayport received no comments during that period.

SWMU 15 is currently being used to inspect commercial traffic in conjunction with shipboard overhaul contracts at NAVSTA Mayport. We request concurrence to discontinue groundwater monitoring until November 2003 due to the tremendous traffic. Groundwater monitoring will continue prior to the remediation construction.

If you have any further questions regarding this matter, NAVSTA Mayport's point of contact is Diane Lancaster, at 904-270-6730 x208, E-mail dlancaster@nsmayport.spear.navy.mil.

Sincerely,

CHERYL L. MITCHELL
Director, Environmental Division
By direction of the
Commanding Officer
