NAVAL STATION MAYPORT

RESTORATION ADVISORY BOARD
SELF-EVALUATION

JULY 14, 1997

RAB PURPOSE

The purpose of NAVSTA's RAB is to:

- Facilitate communication
- Provide community input into Navy environmental cleanup actions
- Promote regulatory and public participation
- Serve as a model for other RABs

RAB MISSION

The mission of the NAVSTA's RAB is to:

“...establish and facilitate a forum with the community, regulators, and NAVSTA for the input and exchange of information in an open and interactive dialogue concerning the installation's environmental restoration program.”

Brainstorming “Rules”

- All ideas are good ideas.
- Each RAB member will be given the floor in turn to share ONE idea per turn, but they may have as many turns as they wish.
- When the member has the floor, they may not be interrupted.
- Members may “pass” on their turn.
- Discussion of the ideas takes place AFTER all ideas have been voiced (it is NOT part of the brainstorming process).
- Brainstorming will continue until everyone in the group chooses to “pass” on one round.
