Contract No. N62467-89-D-0317

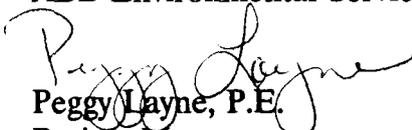

Dear Eric:

Enclosed please find two copies of the Final Corrective Measures Study Workplan for Naval Station Mayport. The revisions address comments received from FDEP dated January 17 and January 26, 1995. Please insert the text and covers into the binders provided with the draft document.

These documents are submitted on behalf of Southern Division, Naval Facilities Engineering Command for Naval Station Mayport. Please contact David Driggers at 803-743-0501 or myself at 904-656-1293 with any questions or comments.

Very truly yours,

ABB Environmental Services
