**RE: Sampling Work Plan, Solid Waste Management Units 44 and 45, Naval Station
Mayport, USEPA ID #FL9 170 024 260, Mayport, Florida (Tetra Tech, July 26, 2013)**

Dear Mr. Hayworth:

I have reviewed the subject document dated July 26, 2013. The document was received on July 29, 2013. It was completed under Contract Task Order 0033.

In the Objective section of the report it states that *"The objective of this sampling effort is to verify whether constituents of concern from sample locations with previous results remain at concentrations exceeding FDEP industrial SCTLs."*

Based on my review of this document, the Department is in concurrence with the stated objective and overall sampling work plan.

Thank you for the opportunity to review this document. If you require additional clarification or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

John Winters, P.G.
Remedial Project Manager
Federal Program Section
