**RE: Evaluation of Additional Data for Groundwater Background Study for Metals,
Naval Station Mayport, USEPA ID #FL9 170 024 260, Mayport, Florida (Tetra Tech,
November 20, 2014)**

Dear Mr. Hayworth:

I have reviewed the subject document dated November 20, 2014. I received this document on November 21, 2014. This document was completed under Contract Task Order Number JM71.

Based on my review, the Department is in concurrence with the conclusions presented in this letter document.

Thank you for the opportunity to review this document. If you require additional clarification or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

A handwritten signature in blue ink that reads 'John Winters'.

John Winters, P.G.
Remedial Project Manager
DoD and Brownfields Partnerships Section

Handwritten initials 'KAW' in blue ink.
