Re: Final Assembly D Site Investigation Plans, Naval Air Station Memphis, Millington,
Tennessee, RCRA Facility Investigation, September 15, 1995, DSF #79-719, cc 82

Dear Mr. Porter:

The Tennessee Department of Environment and Conservation (TDEC), Division of Superfund (DSF) Memphis Field Office (MFO) has reviewed the Final Assembly D Site Investigation Plans for the NAS Memphis site, received in this office on September 18, 1995. Since all previous TDEC comments in the draft version of this same document have been adequately addressed, the TDEC/DSF-MFO approves and accepts this document as final. On receipt of this communication all scheduled work can commence without delay.

Should you have any questions or concerns regarding this review and approval please call me at (901) 368-7958

Sincerely,

A handwritten signature in black ink that reads "James W. Morrison".

James W. Morrison, P.G.
Environmental Project Manager
Memphis Field Office
Tennessee Division of Superfund
