

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: October 17, 2003 at 1:00 PM

Persons Conducting the Interview/Title/Organization: Milind Pradhan, Michael Garnes,
Malcolm Pirnie

Person Being Interviewed/Title/Organization: Mr. Roger Aitken, Facility Planning

**Reason for Selecting Person to Interview (i.e., Years at Installation, Position,
Previous History, etc.):** Mr. Aitken works in the Facility Planning Division of the
installation.

Interview Notes: Mr. Aitken could not recall any incidents involving UXO at NSA Mid-South and was not familiar with the skeet ranges on the installation. Mr. Aitken provided information about the approximate opening and closing of the Rifle Range and was knowledgeable about the Pistol Range. Mr. Aitken also provided information regarding the closure of the Pistol Range.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 5, 2003 at 10:30 AM

Persons Conducting the Interview/Title/Organization: Milind Pradhan, Michael Garnes,
Dan Hains and Al Larkins, Malcolm Pirnie

Person Being Interviewed/Title/Organization: Mr. Lee Barker, Public Works Office

**Reason for Selecting Person to Interview (i.e., Years at Installation, Position,
Previous History, etc.):** Mr. Barker is the Planner/Estimator Supervisor at NSA Mid-South.

Interview Notes: Mr. Barker could not recall any incidents involving UXO at NSA Mid-South and was familiar with the Pistol Range and Orion Skeet Range on the installation. Mr. Barker stated that the Pistol Range was renovated in 1980 to continue its use.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 7, 2003 at 11:00 AM

Persons Conducting the Interview/Title/Organization: Milind Pradhan and Al Larkins,
Malcolm Pirnie

Person Being Interviewed/Title/Organization: Mr. Robert McConnie, Ordnance Officer

Reason for Selecting Person to Interview (i.e., Years at Installation, Position, Previous History, etc.): Mr. McConnie is the Ordnance Officer for the installation and would have handled any responses to UXO discoveries or any incidents involving UXO's.

Interview Notes: Mr. McConnie could not recall any incidents involving UXO at NSA Mid-South and was not familiar with the ranges other than the Pistol Range and Orion Skeet Range.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 6, 2003 at 9:00 AM

Persons Conducting the Interview/Title/Organization: Milind Pradhan, Michael Garnes,
Malcolm Pirnie

Person Being Interviewed/Title/Organization: Ms. Sue Millican, Installation Historian and
Public Affairs Officer

**Reason for Selecting Person to Interview (i.e., Years at Installation, Position,
Previous History, etc.):** Ms. Millican would be knowledgeable of previous activities at
NSA Mid-South.

Interview Notes: Ms. Millican could not recall any incidents involving UXO at NSA Mid-South and was familiar with the seven ranges on the installation. Ms. Millican could not provide any specific information regarding the ranges; however, she does possess a 1943 historical aerial photograph illustrating all the ranges of the installation. In addition, Ms. Millican provided a collection of newspapers written for the installation that provided some information about previous activities at NSA Mid-South.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 7, 2003 at 1:00 PM

Persons Conducting the Interview/Title/Organization: Milind Pradhan, Dan Hains,
Malcolm Pirnie

Person Being Interviewed/Title/Organization: Chief Peters, Installation Fire Department

**Reason for Selecting Person to Interview (i.e., Years at Installation, Position,
Previous History, etc.):** Chief Peters would respond to an UXO incident at Mid-South.

Interview Notes: Chief Peters could not recall any incidents involving UXO at NSA Mid-South and was familiar with the seven ranges on the installation. Chief Peters could not provided any specific information regarding the ranges.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 6, 2003 at 9:30 AM

Persons Conducting the Interview/Title/Organization: Michael Garnes and Al Larkins,
Malcolm Pirnie

Person Being Interviewed/Title/Organization: Mr. Bob Sipowich, Civil Engineer

**Reason for Selecting Person to Interview (i.e., Years at Installation, Position,
Previous History, etc.):** Mr. Sipowich is a civil engineer for the Engineering Division
of the installation.

Interview Notes: Mr. Sipowich could not recall any incidents involving UXO at NSA Mid-South and was not familiar with the ranges other than the Pistol Range and Orion Skeet Range. Mr. Sipowich provided drawings for utilities on the installation and was involved in the construction of the Pistol Range to prevent the closing of the range. Mr. Sipowich also stated that the berm for the Rifle Range was used for fill material during the construction of the Navy Hospital.

Interview Record

Installation/Range or Sites: NSA Mid-South

Date/Time: August 7, 2003 at 2:30 PM

Persons Conducting the Interview/Title/Organization: Milind Pradhan, Michael Garnes,
Dan Hains and Al Larkins, Malcolm Pirnie
