Dear Sir:

The Division of Solid Waste Management (Division) has completed its review of the above referenced document. This document describes the results of additional investigations performed to define the limits of soil excavations proposed at four "hot spots" (two polycyclic aromatic hydrocarbon [PAH] and two lead). The Division approves the results of the investigations and the proposed additional soil removals referenced in the document.

If there are any questions or comments regarding this review, please contact me at (615) 532-0864 or e-mail me at [Roger.Donovan@tn.gov](mailto:Roger.Donovan@tn.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Roger Donovan".
