RETURN RECEIPT REQUESTED

January 7, 2013

Mr. Charles Gulotta
Millington Area Chamber of Commerce
7965 Veterans Parkway; Suite 101
Millington, TN 38053

Dear Sir:

The Tennessee Department of Environment and Conservation (TDEC) has directed Naval Support Activity Mid-South to perform remediation of groundwater contaminated with volatile organic compounds at the air field formally owned by the Navy which was transferred to the City of Millington (Millington). TDEC is aware that Millington is actively recruiting industry to establish facilities on this portion of the air field property. TDEC understands the importance of economic growth to Millington and will work with the city to direct remedial activities in such a way as to not interfere with potential development of this area.

If you have questions, please do not hesitate to contact me at (615) 532-0864 or e-mail me at Roger.Donovan@tn.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Roger Donovan".

Roger Donovan, P.G.
