Re: Supplemental Interim Measures Work Plan (Revision 2)
Area of Concern A — Naval Support Activity Mid-South
Millington, Tennessee

Dear Roger:

Please find enclosed the revised *Supplemental Interim Measures Work Plan* which reflects our discussion at yesterday's Base Cleanup Team meeting. Following your approval of work plan, the Navy will submit a Sampling and Analysis Plan which will contain the field procedures, laboratory methods, and data quality objectives associated with the enclosed work plan. The Navy looks forward to continued collaboration with the Division of Solid Waste Management.

Sincerely,

EnSafe Inc.
