**RE: EMERGENCY CONSTRUCTION OF SOIL BORING(S) AT: Northern Half of NASM
(Various Locations - see attached map)
Permit #94-150**

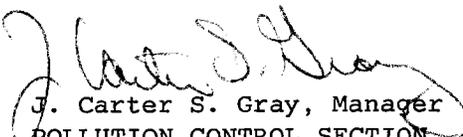

Dear Ms. Barker:

This letter is to inform you that a construction permit has been issued to your selected well driller, approving the above referenced soil boring(s). We appreciate the cooperation you have given the Health Department during the application review process. Please be reminded of the following requirements:

1. The Health Department is to be notified when construction of the boring(s) begins.
2. The Health Department is to be notified if the well driller violates any of the conditions for which the permit was issued.
3. The Health Department is to be notified for prior approval of any changes in plans for construction such as boring site location, number of borings needed, well usage such as converting a soil boring to a monitoring well, or in the well driller initially selected to do the work.
4. Logs on the boring(s) are to be submitted to this office within thirty (30) days of work completion.

Once again, your cooperation in this matter will be appreciated. Should you have any questions or need additional information you can contact Mr. Greg Parker at 576-7741.

Sincerely,

J. Carter S. Gray, Manager

This permit is issued based on signed commitment by the driller and the owner of said well to fully comply with the requirements set forth in the approved application or as directed by the Memphis and Shelby County Health Department. Deviation from the approved application or any conditions that are set forth by the Health Department shall void this permit.

CONDITIONS:

1. Any water in drilling the borings shall be obtained from a potable source of water and a chlorine residual maintained throughout the drilling process.
2. All applicable fees must be paid to the Memphis and Shelby County Health Department.
3. The Health Department shall be notified just before construction of wells is to begin.
4. A copy of the well logs shall be submitted to the Health Department within (30) thirty days of completion.
5. All requirements outlined in the Rules and Regulations shall be complied with.
6. Any changes in the number of borings needed, or in their location or or construction such as conversion to a monitoring well shall be brought to the attention of the Health Department.
7. Any additional borings that may be needed at a later date will require a separate application be filed with this office along with the \$25 processing fee and the \$100 inspection fee.
8. Any abandoned borings shall be properly sealed as required by the Health Department.
