Re: Monitoring Report
Naval Hospital
Bldg H-100
Facility ID# 9-791707, Shelby County

Dear Ms. Barker:

The Division of Underground Storage Tanks (the Division) has developed Technical Guidance Document .007 which outlines the Requirements for periodically monitoring UST sites contaminated with Petroleum Hydrocarbons. All further monitoring and reporting for the above referenced site must be conducted in accordance with TGD-007. Format

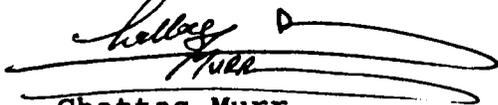

Please do note that all correspondence, reports, laboratory sheets shall contain the Tennessee Division of Underground Storage Tanks facility ID number. The original chain of custody must be provided in the report as well.

If you have any questions concerning this correspondence, contact me at (901) 368-7673.
