Dear Sir:

The Tennessee Division of Solid Waste Management (DSWM) has completed its review of the response to the Notice of Deficiency (NOD) submitted to the Navy for the Supplemental IM Work Plan and 2011 Progress Report for AOC-A, Northside Fluvial Deposits Groundwater. The DSWM has determined that the responses to the NOD are adequate. The Navy may proceed with making changes to the Supplemental IM Work Plan (work plan) as outlined in the response to comments. The Navy will submit the amended work plan to the Division for final review and approval.

If you have any questions concerning the enclosed comments, please contact me at (615) 532 0864 or you may contact Mr. Charles Burroughs at (615) 532-0863.

Sincerely,
