Dear Sir:

The Division of Solid Waste Management (Division) has reviewed the above referenced document dated September 11, 2012. The Draft-Final Sampling and Analysis Plan (work plan) is the planning document describing field activities for the continued groundwater monitoring and interim measures at AOC-A, located on the former Navy property. The work plan is approved as submitted. Please notify the Division five days prior to any field activity. If there are any questions or comments regarding this review, please contact me at (615) 532-0864 or e-mail me at [Roger.Donovan@tn.gov](mailto:Roger.Donovan@tn.gov).

Sincerely,

Roger Donovan, P.G.
