Dear Mr. Johnston:

As recommended in your letter of 19 October 1992, a Technical Memorandum is submitted summarizing the results of partial RCRA Facility Investigation (RFI) field work performed at SWMUs 4 & 5. Based on the conclusions and recommendations of the enclosed Memo, we recommend that the information gained from the partial RFI fieldwork be included as supporting information/documentation to support the subsequent RFI Workplan.

If you need any additional information or have any questions, please contact Mr. Mark Taylor of Southern Division, Naval Facilities Engineering Command, at (803) 743-0573, or Ms. Tonya Barker of Naval Air Station, Memphis, at (901) 873-5461.

Sincerely,

*David Criswell*
