Dear Sir:

The Tennessee Division of Solid Waste Management (Division) has completed the review of the referenced document. The additional investigation is intended to evaluate potential petroleum related soil contamination beyond the extent of the excavation conducted during past remedial actions at the SWMU. The Division approves the work plan as written.

If there are any questions or comments regarding this review, please contact Roger Donovan at 615.532.0864 or e-mail at roger.donovan@state.tn.us.

Sincerely,

Roger Donovan, P.G.
