Subject: CTO-094; NAS Memphis RCRA Facility Investigation, Millington, Tennessee
Document Transmittal — *Draft RFI Report — SWMU 60, Northside Landfill*

Reference: Contract N62467-89-D-0318 (CLEAN II)

Dear Sir:

Please find enclosed two copies of the subject report, which is submitted in accordance with the CTO-094 statement of work and Final Plan of Action. SOUTHDIV and USGS comments on the preliminary version of this document have been addressed. As discussed during the August BRAC Cleanup Team meeting, the RFI report for each of the six Assembly A SWMUs will be submitted separately, rather than as one large document, to facilitate review. This is the first of those reports. As requested, copies of the report have been distributed as indicated on the enclosed NAS Memphis Distribution List.

If you have any questions or comments of a technical nature, please contact me or Ben Brantley at 901/372-7962. Comments or questions of a contractual nature should be directed to Debra Blagg at 901/386-9344.

Sincerely,

EnSafe/Allen & Hoshall
