Subject: Quarterly Summary of Investigation Derived Wastewater Discharge
Naval Training Center, Orlando, Florida

Dear Mr. Johnson:

Enclosed are the self monitoring reports and certifications for the months of April - June 2001 as required by the Industrial User Discharge Permits. A total of 1,328,900 gallons of IDW wastewater were discharged during these months. Wastewater was discharged at the permitted locations at the Main Base (200 gallons under Permit #CO82TA), McCoy Annex (5,000 gallons under #CO85TA), and Area C (1,323,700 gallons under Permit #CO83TA). Details of the discharges are provided in the attached Statements of Certifications and Self-Monitoring Reports.

If you have any questions regarding this document, please call me at (813) 874-0777. You may also contact Mr. Wayne Hansel at (407) 895-6714.

Sincerely,

CH2M HILL CONSTRUCTORS, Inc.

Parameter Discharge (include appropriate concentration)

NTC discharged 5,000 gallons of IDW wastewater on McCoy Annex during the months of January through March 2001. On April 28, 2001, 550 gallons were discharged to the permitted discharge point at McCoy Annex. From June 11 through June 15, 2001, 4,450 gallons were discharged to the permitted discharge point. Both discharges occurred in accordance with the prior approval received from the City on April 27, 2001. A report to the City documenting these discharges is forthcoming.

Recapping discharges of the first two quarters of 2001:

Jan 01 – Mar 01 No water discharged

April 01 – June 01 5,000 gallons
