I have completed my review of the Draft Final Decision Document, Study Area 36, Orlando Naval Training Center, dated May 2005 (received May 20, 2005), prepared and submitted by Tetra Tech NUS, Inc. The Draft Final Decision Document adequately describes the proposed remedy for Study Area 36. Therefore, the document should be finalized and submitted to the Department.

If I can be of any further assistance with this matter, please contact me at (850) 245-8997.

Sincerely,
