Investigations and Remedial Investigations (POP)
Volumes I and II
NTC, Orlando, Orlando, Florida
Contract; N62467-89-D-0317/CTO 107

Dear Doug:

Enclosed please find the updated POP for your review and use. This revision is an update from the July 1994 version and includes such modifications as low-flow sampling and changes based on EPA's new SOP dated May 1996. All workplans and field work associated with NTC, Orlando will now be guided by this version of the POP.

Should you have any questions regarding this document, please call me at (407) 895-8845.

Very Truly Yours,
