Re: Corrective Action Permit Number 66255-HH-001

Dear Dr. Kuncicky:

On behalf of Naval Support Activity Panama City (NSA PC), Naval Facilities Engineering Command Southeast (NAVFAC SE) respectfully submits a waiver of the 135-day time limit for the permit modification request dated October 22, 2007 for Corrective Action Permit Number 66255-HH-001.

The permit modification was requested to reflect the no further action decision for SWMU 9. Subsequent to the request it was determined that the Statements of Basis for SWMUs 2, 3, 10, and AOC 1 were nearing final approval. This waiver is granted to allow the permit modification to incorporate the final decision for these additional units.

If you have any questions, please contact NSA PC Arturo McDonald at 850-234-4743 or NAVFAC SE Bill Gates at 843-820-7360.

Sincerely,

A handwritten signature in cursive script that reads "William H. Gates, Jr." is positioned above the typed name.
