Subject: Revised Final Version of the Resource Conservation and Recovery Act Statement of Basis for Solid Waste Management Unit 2; Naval Support Activity Panama City

Dear Ms. Bolanos:

On behalf of Mr. William Gates, please find enclosed five copies of the subject revised document. The revisions are twofold: 1) correct the date of the public comment period on page 11 and 2) change the date of the Statement of Basis from December 3, 2007 to December 16, 2007, which is the start date of the new public comment period. This document incorporates all comments received from the Florida Department of Environmental Protection during the November 15, 2007 NSA Panama City Partnering Meeting. These changes concern a modification of the groundwater land use control boundary and the deletion of the mail code for the NSA Panama City point of contact. It is my understanding that you approve these changes and accept the condition of this document as final, ready for public comment.

Please contact Mr. Bill Gates at (843) 82-7360 (email: [William.Gates@navy.mil](mailto:William.Gates@navy.mil)), me at (412) 921-8615 (email: [Tom.Johnston@ttnus.com](mailto:Tom.Johnston@ttnus.com)) or Dr. Jennifer Choich at (412) 921-8083 (email: [Jennifer.Choich@ttnus.com](mailto:Jennifer.Choich@ttnus.com)) regarding any questions you may have pertaining to the enclosed document. The document is being provided in both electronic format (via electronic mail) and hardcopy format (enclosed with a hardcopy of this letter).

Sincerely,

Tom Johnston, Ph.D.  
Task Order Manager
