Support Activity (NSA) Panama City

Dear Ms. Bolaños:

On behalf of Mr. Bill Gates of Naval Facilities Engineering Command Southeast (NAVFAC SE) please find enclosed two copies of the subject document. At the direction of NAVFAC SE field work is scheduled to begin on September 24 at SWMU 2 and select background wells located throughout NSA Panama City. Upon Florida Department of Environmental Protection approval of this plan, TtNUS will provide new covers signifying final approval. In the interim, Tetra Tech NUS, Incorporated (TtNUS) has obtained all necessary TtNUS reviews and signatures to ensure that the plan is consistent as possible with NSA PC Partnering Team desires and needs and that the sampling, analysis, and data interpretation strategies are technically sound.
