Dear Team,

I am writing this letter in response to two things; our teleconference this morning and review of the Statement of Basis (SOB) submitted with this email dated January 16, 2006.

1. I have reviewed the SOB and find the document to be adequate for it's content and approved. Please provide me with a final version for formal approval.
2. I have been informed by John Griffin and Doug Outlaw, John's supervisor that the facility and the Department serve as the contact person in the SOB.
3. The public comment period is 45 days, I will leave it to Tom and Bill to determine when the date will start and end in the SOB. The 45 days include a 7 days a week time frame.
4. FDEP, me, and the facility (NAS Panama City) are put down as the point of contact in the SOB.

Subject: RE: Are we in charge of the Administrative Record for Panama City Naval Air Station????

My understanding is that your files and our files taken together comprise the administrative record for a federal facility. Tim tells me that his understanding is that Region 4 Federal Facilities does not maintain

1/25/2007

an administrative record but I don't know how R4 folks would view that.

Subject: FW: Revised SWMU 10 and AOC 1 SOB and RTC Document

Tracie,

1/25/2007

Responses to your comments and a revised SOB are attached. The revisions to the SOB are highlighted in yellow.

If these are acceptable, we will provide you the SOB as a Final.

Additionally we need from you the dates for the public comment period.

Bill

Subject: Revised SWMU 10 and AOC 1 SOB and RTC Document

Bill,

Here is the revised SOB for SWMU 10 and AOC 1. You'll note that I corrected the well references in the added text concerning manganese. I also prepared a response to FDEP comments to reflect these changes.

Both documents are attached. Yellow highlight marks text in the SOB that was changed in response to FDEP and your comments. Please have look and give a call as necessary.

Thanks,

Tom Johnston, PhD | Project Manager | Quality Assurance Manager
