Re: May 7, 1991 meeting to discuss SMPs for NAS Jacksonville,
NAS Cecil Field, NAS Pensacola, MCLB Albany

Dear Mr. Bradley:

The Environmental Protection Agency hereby acknowledges receipt of your letters regarding a May 7, 1991 meeting of all interested parties to the FFA and installation representatives for the following four NPL sites:

- Naval Air Station Jacksonville; Jacksonville, Florida
- Naval Air Station Cecil Field; Jacksonville, Florida
- Naval Air Station Pensacola; Pensacola, Florida
- Marine Corps Logistics Base Albany; Albany, Georgia

This meeting should provide a useful forum for discussing comment responses and any other concerns related to the Draft Site Management Plans (SMPs) for these sites submitted to EPA by the Navy.

The meeting will be held on May 7, 1991, at the Downtown Holiday Inn, 175 Piedmont Avenue, beginning at 9 a.m. The meeting will be continued on the morning of May 8, 1991, at the regional office as necessary.

We look forward to a discussion which will produce a mutually acceptable means of expediting the goals of these four FFAs.

Sincerely yours,

Michael J. Hartnett, Chief
Department of Defense Remedial Unit
