Mr. John Mitchell
Project Manager
Office of Marine Programs and Planning
Florida Department of Natural Resources
Marjory Stoneman Douglas Building
3900 Commonwealth Boulevard
Tallahassee, Florida 32399

Dear Mr. Mitchell:

We are pleased to submit to you the Final Investigative RI/FS Workplan Reports for Site Groups A through G, J, K, M, and N for the Naval Air Station (NAS) Pensacola, Pensacola, Florida per your request in your letter April 30, 1991. These reports were prepared by Ecology and Environment, Incorporated.

We are in the process of developing the Draft Investigative RI/FS Workplan Reports for Site Groups H, I, L, and O. We are also in the process of preparing the Phase I Draft Data Reports and the Phase II Draft Investigative RI/FS for Site Groups A through E for NAS Pensacola, Florida. When these documents are available, we will provide you copies.

We have informed the installation point of contact (POC) of your desire to be included on the Technical Review Committee (TRC). The installation POC is Mr. Ron Joyner (Code 18520), please contact Mr. Joyner at (904) 452-4515 concerning TRC matters. We are tentatively scheduling the next TRC meeting during late July.

We appreciate your interest to review the reports and provide comments for NAS Pensacola. Please contact Ms. Suzanne O. Sanborn (Code 18211) at (803) 743-0574, if you have any additional concerns or questions regarding the RI/FS work at the NAS Pensacola. Ms. Sanborn is the RPM/EIC for the NAS Pensacola, Florida.

Sincerely,

Mr. J. B. Malone, Jr., P.E.
Manager of Installation
Restoration, East Section
