Dear Ms. Sanborn:

Department personnel have completed the review of the Site Management Plan for NAS Pensacola. The Plan has been determined to be satisfactory for its purpose. As discussed previously, we are still interested in any "time saving measures" that can be implemented in the future. We shall assist you in any way possible to expedite the work schedule and resolve any problems that may occur.

Thank you for your continued cooperation with this matter. If I can be of any further assistance, please contact me at (904) 488-0190.

Sincerely,

Eric S. Nuzie
Federal Facilities Coordinator
