Dear Ms. Sanborn:

Department personnel have completed the review of the Final Site Management Plan (SMP) dated August 28, 1991 for NAS Pensacola. The SMP is satisfactory for its purpose. Unless any changes are made based upon EPA comments, we will accept this version as the official one for FY92.

If I can be of any further assistance with this matter, please contact me at (904)488-0190.

Sincerely,

Eric S. Nuzie
