Dear Ms. Drew:

The Navy is **currently** developing the **revision** for the **1992 Site Management Plan** which was due by **1 March 1992**. **The Navy and EPA** have resolved the **latest EPA/FDER** comments, **and we are incorporating these** comments **into this** submittal. The Navy is **also** developing a generic **1993 SMP** which will be much smaller in context. The **1993 S M P** will be *similar* in format to the already approved **SMP's** for NAS Jacksonville, and **Cecil Field, Florida**, as well as the **S M P** for MCLB Albany, *Georgia*. We have requested and were granted an extension **per** telephone conversation on **13 March 1992**. We anticipate the delivery of the **responses** to comments, the **1992 SMP**, and the generic **1993 SMP** by the end of March **1992**.

We **appreciate** your cooperation in **this** matter, and if you have any questions regarding **this** matter, please **call Ms. Suzanne O. Sanborn, Code 18211, at (803) 743-0574**.

Sincerely,

JAMES B. MALONE, JR., P.E.
