Dear Eric:

Enclosed please find replacement binder-end inserts for the final interim data reports (IDRs) for the above-referenced sites and project. Ecology and Environment, Inc., inadvertently sent over-sized inserts with the IDRs submitted on November 24, 1992. Please replace the previously submitted inserts with the ones enclosed.

I apologize for any inconvenience this may have caused. If there are any questions or comments concerning the reports or other matters pertaining to the project, please feel free to contact me at (904) 435-8925 or Rick Rudy at (904) 877-1978.

Sincerely,
