Dear Ms. Martin:

Department personnel have completed the technical review of the Final Data Summary and Preliminary Scoping for Ecological Risk Assessment for NAS Pensacola. The document was determined to be satisfactory for its purpose. Unless you or the EPA have any necessary changes, it should be considered "Final".

If I can be of any further assistance with this matter, please contact me at 904/488-0190.

Sincerely,

Eric S. Nuzie
