Subj: Disapproval of Draft Final RI/FS Work Plans for PSCs 3,
7, 9, 10, 25, 27, 29, 31, and 36

Dear Ms. Drew:

On 7 January 1993 the Navy received your letter invoking informal dispute resolution on subject work plans. In your letter you stated the Navy failed to adequately address your comments on Work Plans 3, 7, 9, 10, 25, 27, 29, 31, and 36.

Since these comments and responses are 35 pages in length, the Navy requests you submit a letter clarifying exactly which comments you dispute and your rationale for the dispute. After receipt of this letter, the Navy would like to meet to discuss the disputed issues in an informal manner as you requested.

Because the Navy is continuing work with these work plans, it is imperative the disputed issues be resolved as soon as possible. Please contact Ms. Linda Martin, Code 1851, at (803) 743-0574, if you require additional information.

Sincerely,

JAMES B. MALONE, JR., P.E.
