EPA Site ID No.: FL 9170024567

Dear Ms. Martin:

The purpose of this letter is to provide the Navy with official follow-up correspondence verifying the contents of the list which EPA FAXed to the Navy on February 2, 1993 stating the issues of dispute for the RI/FS Work Plans for Former Groups F, G, J, K, L, M and N. The issues which **must** be addressed before EPA can approve these Work Plans are as follows:

General Comments:

1., 3., 4., 8., 10., 15., 18., 19. and 20B.

Group F

Site 9: Specific Comments 1. and 2A.
Site 10: Specific Comments 1., 2B. and 3A.
Site 29: General Comment 1.
Specific Comment 1B.
Site 34: Specific Comment 1B.

Group G

Site 25: General Comment 2.
Site 27: General Comment 1C.
Specific Comment 2C.

Group J

Site 3: Specific Comment 5B.

Group K

Site 7: Specific Comment 1B.

Group M

Site 31: General Comment 1.

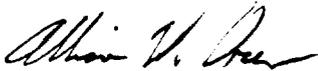

Group N

Site 36: General Comments 1. and 2.
Specific Comment 4.

Please note that one issue (comment 3A. for Site 10) was mistakenly omitted from the original list.

As stated in EPA's letter of February 17, 1993, EPA proposes to extend the period of informal dispute on these issues by an additional 45 days (i.e. a total of 70 days from the date of dispute initiation) in order to give the project managers time to meet or conference call on an informal basis and attempt to resolve these issues prior to the meeting of the Dispute Resolution Committee (DRC).

Sincerely yours,
