Dear Ms. Martin:

Department personnel have completed the technical review of the Draft RI/FS Work Plan, Site 41, NAS Pensacola. The work plan was determined to be satisfactory for its purpose. Unless you or the EPA have any changes to incorporate, the document should be processed for "Final" designation.

If I can be of any further assistance with this matter, please contact me at 904/488-0190.

Sincerely,

  
Eric S. Nuzie
