Subj: INFORMAL DISPUTE RESOLUTION; DRAFT/FINAL RI/FS **WORK** PLANS FOR
PSC's 3, 7, 9, 10, 25, 27, 29, 31, 34, AND 36 AT NAVAL AIR STATION (NAS),
PENSACOLA, FL

Dear Ms. Drew:

This letter is provided to USEPA and FDER as official correspondence verifying the status of the informal dispute on subject PSC's RI/FS Work Plans.

Due to the large number of comments and trying to award contracts, by the end of this quarter, for all remaining sites except PSC 36, the project managers have not had time to try to informally discuss all issues.

Accordingly, the Navy proposes an additional 70 day extension. The Navy believes most of the comments can **be** properly addressed in the Comprehensive **SAP** presently being prepared. This time frame would allow EPA and FDER time to review and comment on the Comprehensive **SAP**.

The Navy feels with the past approval of OU-10 plus **PSC** 13, approval of the new Comprehensive SAP and the site specific SAP for PSC 25 and **27**; the few remaining site specific comments can be addressed with each proceeding SAP.

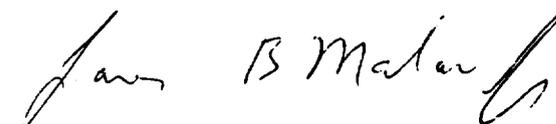

The Navy proposes we continue to work together to resolve the issues at an informal level with the above proposal being the best way.
