Dear Ms. Martin:

Department personnel have completed the review of the revised 1993 *Site Management Plan (SMP)* for NAS Pensacola. We have determined that the *SMP* is satisfactory for its purpose. Therefore, unless you or the EPA have additional changes to incorporate, it should be considered "Final".

If I can be of any further assistance with this matter, please contact me at 904/488-0190.

Sincerely,

Eric S. Nuzie  
Federal Facilities Coordinator
