Dear Ms. Martin:

Department personnel have completed the technical review of the Navy's responses to comments on the Draft Work Plans for Sites 40 and 42, NAS Pensacola. The responses adequately address the comments. Unless you or the EPA have any additional modifications to incorporate, the Work Plan should be considered "Final".

If I can be of any further assistance with this matter, please contact me at 904/488-0190.

Sincerely,

Eric S. Nuzie
