Re: **Site Management Plan**  
**NAS Pensacola**  
**Contract # N62467-89-D-0318**

Dear Ms. Drew:

On behalf of the NAS Pensacola Tier I Partnering Team, **EnSafe/Allen & Hoshall** is **notifying** the Natural Resource Trustees and Federal **Facilities Agreement (FFA) parties** of a Partnering Team Tier I decision to place on hold the Site Management Plan (SMP) on all Categories at NAS Pensacola. The hold is **necessary** because of the prioritization of the Base Realignment and Closure (BRAC) sites and the impact on resources of all parties. Current work and review should continue by all parties, but all SMP deadlines shall not be enforced. **This decision was agreed upon by all team members.**

Please let me know if you have any questions or comments regarding the hold.

Sincerely,

**EnSafe/Allen & Hoshall**
