Dear Mr. Hill:

I have completed the technical review of the above referenced document dated July 11, 1995 (received July 18, 1995). The document adequately outlines the performed and proposed interim removal actions for contaminated soils at Sites 9, 29, 34, and 36.

If I can be of any further assistance with this matter, please contact me at (904) 921-9989.

Sincerely,

John W. Mitchell
