FIRST QUARTER, 1996
1 OCTOBER 1995 - 31 DECEMBER 1995

1. INTRODUCTION

1.1 Background: A Federal Facilities Agreement (FFA) was signed by the **US** Navy, the US Environmental Protection Agency (EPA), and the State of Florida via the Florida Department of Environmental Protection (FDEP) on **23 October 1990**. **The** FFA requires the Navy to submit to the other FFA parties on a quarterly basis a Quarterly Progress Report (QPR).

1.2 Scope: As provided for in FFA Part XII, Reporting, the QPR identifies and briefly describes the actions which the Navy has taken to implement FFA requirements in the previous quarter and those actions scheduled in the upcoming quarter. **The** activity narratives should include a statement on the manner and extent to which the Navy is meeting the schedules provided by the FFA in its Site Management Plan (SMP) and in the approved work plans. In addition to activity descriptions, any problems that caused delays or anticipated problems that might cause delays are identified and the actions the Navy has or plans to take to manage the delays are discussed.
