

**Naval Air Station Pensacola  
Restoration Advisory Board Meeting Minutes  
November 19,1996**

1. Call to Order:

The meeting was called to order by Community Co-Chairperson, Lisa Minshew. The minutes of the 22 October 1996 meeting were reviewed and approved.

2. Mailing List Review

Ron Joyner presented each RAB member a copy of two mailing lists; one supplied by the Pensacola Naval Air Station Public Affairs Office and the second supplied by Ms. Terry Joseph of the Northwest Florida Regional Planning Council. Mr. Joyner agreed to combine the two lists and present it at the next RAB meeting. The Public Affairs Office will also provide a copy of the letter which will be sent to those on the mailing list.

3. Screening Level Printout

Bill Hill presented copies of the screening level printout to RAB members for their review. No recommendations were made for revisions.

4. Sampling Plan Presentation

Bill Hill presented the copies of the minutes of the Ecological **Risk** Assessment subcommittee meetings where assessment endpoints were determined and to be included in the sampling plan. In the November meeting the subcommittee determined that no further investigation for ecological risk assessment is necessary for Pensacola Bay (Site 42).

5. Contaminate Source Survey

Henry Beiro of Ensafe Allen and Hoshall presented an updated Contaminate Source Survey map. Mr. Beiro will produce a revised version of this map mounted on a foam backing and deliver it to the NASP environmental office for future use at public meetings.

6. Site 1 Draft Fact Sheet

The Site 1 Draft Fact Sheet has been postponed until the issue of institutional controls has been resolved.

7. Site 1 Public Meeting

The Site 1 Public Meeting has been postponed until the issue of institutional controls has been resolved.

8. Progress Report Update by Bill Hill:

The Draft Site Management Plan has been submitted.

The Final Focused Feasibility Study for Category 2 has been submitted.

The Final Confirmation Sampling Results for Chevalier Field Removal Actions was submitted.

The Draft ROD for Site 1 has been postponed until the issue of institutional controls is resolved.

9. Other Business:

The possibility of a press release stating that no additional sampling is necessary for Pensacola Bay was discussed but was determined to be premature at this time.

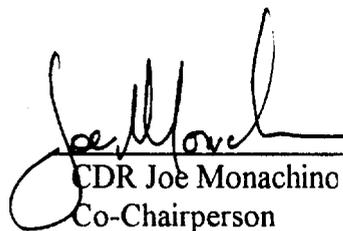

The possibility of making announcements concerning the RAE3 on the weekly television show "NAS Live" was discussed. Public Affairs stated that would be possible.

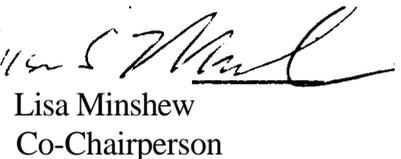

Next meeting is scheduled for 28 January 1997.

10. Adjournment:

The meeting was adjourned by consent of the members at 1925.

Minutes approved by:

  
CDR Joe Monachino  
Co-Chairperson

  
Lisa Minshew
