RE: Preliminary Site Characterization Report, Site 18, Errata
Pages, NAS Pensacola

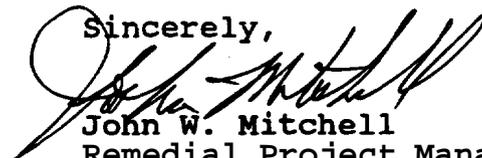

Dear Mr. Hill:

I have completed the technical review of the above
referenced errata pages dated April 3, 1997 (received April 4,
1997) and provide the following comments.

1. I do not disagree with the corrections. However, I thought
the Navy had decided to eliminate the use of institutional
land use restrictions by removing the effected area. If
this is still the case, then these pages need to be modified
accordingly. Otherwise, they are correct.

If I can be of any further assistance with this matter,
please contact me at (904) 921-9989.

Sincerely,

John W. Mitchell
Remedial Project Manager
