RE: Draft Sampling and Analysis Plan Addendum for Site 40, NAS
Pensacola

Dear Mr. Hill:

I have completed the technical review of the above referenced document dated May 23, 1997 (received May 27, 1997). The document can be incorporated as final. However, with the final document errata pages, I recommend deleting the word "eco-subcommittee" on pages 5, 8, and 11. The Tier I Partnering Team made the decisions at the recommendations of the eco-subcommittee.

If I can be of any further assistance with this matter, please contact me at (904) 921-9989.

Sincerely,

John W. Mitchell
Remedial Project Manager
